

# VERSATILE STANDOFF

1300 4 ELITE

# VERSATILE STANDOFF

Stylish, ingenious and superbly functional, Versatile Standoffs have it all.

Fixing panels using standoffs is an exacting process demanding precise final adjustment. Versatile Standoffs are the answer. Each Versatile Standoff is adjustable in both the horizontal and vertical planes.

Dual plane adjustment allows absolute precise alignment every time, regardless of the surface you are fixing to.

Manufactured in 2205 grade stainless steel, Versatile Standoffs are also strong and very durable.
